

MARVEL HEROCLIX INCREDIBLE HULK FACTORY SET

“Caught in the blast of gamma radiation, brilliant scientist Bruce Banner is cursed to transform in times of stress into the living engine of destruction known as THE INCREDIBLE HULK!”

Is he Man, or Monster... of Both? The gamma-irradiated creation of Stan Lee and Jack Kirby, Marvel Comics' green-skinned juggernaut, The Incredible Hulk, burst onto the scene in 1962, and has been relentlessly stomping into the hearts and minds of comic book lovers ever since! Even after almost half-a-century, the popularity of the Jade Giant (not to be confused with 'Jolly Green') refuses to wane, his massive, earth-shaking impact felt in every facet of popular culture — from comics, television, and feature films, to video games, amusement parks, and contemporary fashion.

Now, The Hulk smashes into the gaming arena in a big way with the *Incredible Hulk* expansion for Wizkids/NECA's *Marvel HeroClix*! Featuring your beloved Green Goliath and his arch rivals Abomination and The Leader, as well as sub-themes from *Planet Hulk*, *World War Hulks*, *Fall of the Hulks*, and the *New Fantastic Four*, this 51 figure set features the "Enhanced Alter Ego" mechanics, which includes the new Reverse Alter-Ego!

Looking to unleash the power and fury of The Incredible Hulk upon your (pathetic) opponents? Here's your opportunity to prove you're "The Strongest One There Is", 'cause one lucky *GTM* reader's gaming pals will be green with envy (and quacking in their boots) when they pummel 'em with this complete *Marvel HeroClix Incredible Hulk Factory Set* (purple pants not included)!

Submit the entry form provided, or enter online at www.gametrademagazine.com for your chance to win — and send 'em whimpering to their mommies!
