BATTLE FOR STALINGRAD

The Battle for Stalingrad lasted 200 days, from July 17, 1942 to February 2, 1943. Hitler himself had ordered the capture of the key Soviet city, and his armies were determined to carry out his orders. Opposing the German armies were the civilians and armed forces of Russia. In desperate house-to-house fighting the two sides fought, bleed, and froze in the chilling Russian winter. The Battle For Stalingrad puts you in the rubble-strewn streets as the German forces fight through one block of the city after another. Scheduled to ship in October 2013. DV1 008 .....\$39.99

BRITISH INFANTRYMAN VS ZULU WARRIOR
The short but savage Anglo-Zulu War of 1879 pitched well-equipped but complacent British soldiers and their auxiliaries into combat with one of history's finest fighting forces, the Zulu Nation. The clashes between these two very different combatants prompted rapid tactical innovation on both sides, as the British and their Zulu opponents sought to find the optimal combination of mobility and firepower. Scheduled to ship in October 2013.

DON'T HURRY ME DOWN TO HADES: THE CIVIL WAR IN THE WORDS OF THOSE WHO LIVED IT
Don't Hurry Me Down to Hades is the story of families enduring the whirlwind of the Civil War, told through the words of famous and ordinary citizens and ranging from the battlefield to the home front, from presidential councils to frontier revivals. The book reveals how Americans on both sides of the Mason and Dixon line withstood four years of brutal, unrelenting conflict. Scheduled to ship in October 2013.
OSP GM590 .....\$25.95

FALL GELB 1940 (1)
The German blitzkrieg conquest of France and the Low Countries in May and June of 1940 has never been surpassed in the history of warfare in that no clash between such great and apparently equal forces has been decided so swiftly and conclusively. Beginning on May 10, 1940, this title follows the fortunes of Heeresgruppe A as its three Panzer Korps moved stealthily through the dark, hilly, and thickly forested Ardennes in southern Belgium before forcing a passage across the river Meuse and racing through France to the Channel in one of the most daring campaigns in history. Scheduled to ship in October 2013.
OSP CAM264 .....\$21.95

GENERAL DYNAMICS F-111 AARDVARK
No project combined radical innovation and political furore quite like the F-111 program. It was intended as the world's biggest, most expensive defense procurement plan when it began in 1962. It produced a superb strike aircraft which played a crucial role in three conflicts and was the only aircraft specifically mentioned by Moscow in the SALT disarmament talks that preceded the end of the Cold War. Scheduled to ship in October 2013.
OSP AVG010 .....\$18.95

HITLER'S ELITE: THE SS 1939-45
The SS has become the most infamous military formation in history. From its diminutive origins in the 1920s as Hitler's personal bodyguard, by the late war years it grew to a sprawling organization of hundreds of thousands of men. Hitler's Elite: The SS 1939-45 tells the complete story of the SS at individual, unit, and organizational levels. As a companion volume to Hitler's Armies and Hitler's Eagles, this book gives a detailed and highly visual insight into one of Hitler's most powerful instruments of policy. Scheduled to ship in October 2013.
OSP GM088 .....\$40.00

THE KNIGHTS TEMPLAR: A SECRET HISTORY
History, legend, and conspiracy meet in the tales of the Knights Templar. Warriors, bankers, magicians, and heretics, they were officially disbanded in 1314, but they continue to influence the world to the present day. Within these pages, readers will discover not only the warrior monks of the Crusades, but also the legends and rumors of later ages. Scheduled to ship in October 2013.
OSP DAK002 .....\$14.95

NINJA AD 1460-1650
The Ninja were the secret agents and assassins of feudal Japan and they remain a subject of enduring fascination. They first emerged during the power struggles of 9th and 10th century Japan, in response to the increasing demand for spies, informants, and even assassins, and were used until the mid-1600s. This title provides an accurate and detailed account of the reality of the Ninja, detailing their daily life, training, hiring, combat use, and secret operations, as well as their knowledge of poisons, medicines, and charms. Scheduled to ship in October 2013.

**OF GODS AND MORTALS**  
Mythological Wargame Rules

Andrea Sfiligoi

**OF GODS AND MORTALS: MYTHOLOGICAL WARGAME RULES**

Two armies clash! Thor, surrounded by crackling lightning, leads the assault of a horde of Viking berserkers. Preparing to receive this charge stands a wall of grim-faced, determined Spartan hoplites, commanded by Ares. Gods lead men by their powers, while men give power to the gods by their faith in them. A God cannot exist without its Faithful. The Faithful cannot win without the help of their God. *Of Gods and Mortals*, a scalable, skirmish-level, Mythological Wargame rules set, features details and army lists for Greco-Roman, Egyptian, Japanese, Aztecs, Pre-Islamic Arabs (Arabian Nights), Norse, Celts, and Chinese ancient military warbands. Scheduled to ship in October 2013.

**US FLAMETHROWER TANKS OF WORLD WAR II**

STEVEN J. ZALOGA ILLUSTRATED BY RICHARD L. TRASHNOR

**US FLAMETHROWER TANKS OF WORLD WAR II**

The US Army and Marine Corps experimented with a wide range of flame-thrower tanks through World War II in both the European and Pacific theaters. This book examines early efforts in the US, the ill-fated attempt to adopt the British Crocodile for D-Day in Normandy, the adoption of the auxiliary E4-7 in the European Theater, and the use of British Crocodile flamethrower units in the ETO. Scheduled to ship in October 2013.

**THE FIRST WORLD WAR**  
THE WAR TO END ALL WARS

Foreword by Hew Strachan  
Peter Padfield, Timothy Johns & Michael H. Jones

**O/A THE FIRST WORLD WAR: THE WAR TO END ALL WARS**

Raging for over four years across the tortured landscapes of Europe, Africa, and the Middle East, the First World War changed the face of warfare forever. Characterized by slow, costly advances and fierce attrition, the great battles of the Somme, Verdun, and Ypres incurred human loss on a scale never previously imagined. This book, with a foreword by Professor Hew Strachan, covers the fighting on all fronts, from Flanders to Tannenberg and from Italy to Palestine.

**USN CARRIERS VS IJN CARRIERS**

The Pacific 1942

MARK S. FULLER

**O/A USN CARRIERS VS. IJN CARRIERS**

The IJN was a pioneer in naval aviation, having commissioned the world's first carrier, which was used against the US fleet at Pearl Harbor. The Americans followed suit, initiating a huge aircraft carrier development program. As the War in the Pacific escalated into the largest naval conflict in history, the role of the carrier became the linchpin of American and Japanese naval strategy as these rival vessels found themselves locked in a struggle for dominance of this critical theater.

OSP DUE006 ..... \$17.95

**O/A USN CRUISER VS IJN CRUISER**

Although the war in the Pacific is usually considered a carrier war, it was the cruisers that dominated the early fighting. This thrilling duel presents the cruiser clashes during the battles for Guadalcanal, highlighting the Battle of Savo Island and the Battle of Cape Esperance.

**YORKTOWN 1781**

The world turned upside down

Andrew Hammon • Christopher A. Hill

**O/A YORKTOWN 1781**

By 1781, Britain's struggle to contain the rebels in her American colonies had reached an inglorious stalemate. Six years on from the British defeat by the New England militia at Boston, George Washington's rebuilt Continental Army - with support from the French - now systematically began to seek out and destroy British forces even if protected by seemingly impregnable defences. Yorktown would be a salutary lesson to the British Crown about the odds she now faced in holding on to her colonies.

THE WAR AGAINST HITLER AND THE DECEPTIONS OF THE GERMAN FORCES

TERRY CROWDY

**O/A DECEIVING HITLER: DOUBLE-CROSS AND DECEPTION IN WORLD WAR II**

In the war against Hitler, the Allies had to use every ounce of cunning and trickery that they possessed to send the enemy inaccurate and misleading information about Allied troops, plans, and operations. From moving imaginary armies around the desert and putting a corpse with fake papers floating in the Mediterranean, to faking successful bombing campaigns and the convoluted deceptions which kept part of the German forces away from Normandy prior to D-Day, Terry Crowdy explores the deception war that combined the double-agent network with ingenious plans to confuse and hoodwink the Fuhrer.

**CASTLES & CRUSADES: A11 - THE WASTING WAY**

The Grausamland - a gray mire of marsh, bogs, sluggish creeks, and deep pools - stands as a barrier to those who would enter the giant fortress of Aufstrag. So great was the menace that the Lords of Aufstrag long ago built a causeway - called The Wasting Way - giving travelers some shelter from the dangers. Now, The Wasting Way stands abandoned and in ruins, and travel upon it an even greater nightmare - a journey fraught with peril and one only the stout of heart dare. *The Wasting Way* is a *Castles & Crusades* adventure for characters of Levels 11-13. Scheduled to ship in August 2013.

IMP TLG80211.....\$6.99

**CASTLES & CRUSADES: A12 - THE BLASTED HEATH**

*The Blasted Heath* finds the characters across the ruins of The Wasting Way, the great causeway that crosses the Grausamland, the Grey Swamps, and approaches the Portico, where the gates of the ancient towers of Aufstrag stand. *The Blasted Heath* comprises a series of adventures in and around the Portico; from what lies in the Fetid Morass, the haunting of the Ramp that leads to the tall gates, and the mystery of the blood-stained arch. *The Blasted Heath* is a *Castles & Crusades* adventure for characters of Levels 13 and higher. Scheduled to ship in August 2013.

**CASTLES & CRUSADES: BLUFFSIDE - CITY ON THE EDGE**

From the ancient ruins of Sem La Vah, to the vast Undercity, to the floating port of Sordadon, *Bluffside: City on the Edge* promises to become the home port for thousands of adventurers! An original, portable adventure supplement designed to fit into any fantasy setting, or serve as a standalone campaign, *Bluffside: City on the Edge* introduces numerous places of interest, complete with adventure hooks, plus a dozen city districts and maps to explore, as well as a harvest of new class adaptations, races, magic items, and spells. Scheduled to ship in August 2013.

IMP TLG8509.....\$19.99

**CASTLES & CRUSADES: ROGUE'S GALLERY**

Every game has them; hosts of unnamed, faceless, personality-lacking brutes that mock both players and Castle Keepers with their amorphous shapes. Well, no longer! Brought to you by the skilled hands of Shane Moore, the wildly popular author of the *Abyss Walker* novels, this rogue's gallery is replete with an army of Non-Player Characters of all races and classes, complete with statistics, names, and alignments. Scheduled to ship in August 2013.

**CASTLES & CRUSADES: TO KILL A KING**

Queen Adyna is unhappy. Her King is not her lover and her lover is not the King, and such accidents of fate often need a guiding hand. The goodly King Gwgon of Gwron has ruled the realm for many years, but he has not ruled his wife, and it is her design to bring him low - and the character's task to do it! A complex story of betrayal and backstabbing, steeped in intrigue and regicide, *To Kill a King* is a *Castles & Crusades* adventure for 4th Level characters. Scheduled to ship in August 2013.

#### O/A GEMBLO

Invest in Your Mind! In the abstract, strategy board game *Gemblo*, players attempt to rid themselves of their translucent, colored pieces (made up of one to five hexagons) on the hexagonal field. The catch: each piece that you place after the first cannot touch previously-placed pieces of the same color. WMG 001.....\$40.00

#### O/A TREMBLEX

In *Tremblex*, a revised version of *Shake Shake Tower* that uses the same pieces and nearly the same scoring method, players are free to place pieces as they wish on the tower - with one small exception that drives play in a unique direction. Each piece you place must touch one of your pieces already in play; if all of your pieces have been covered by other players, then you're forced to sit out until someone else knocks pieces off the tower!
